

# Who is a STAR?

The *Stoneham Appreciation & Recognition* certificate program is designed to acknowledge teachers and other individuals for their contribution to the classroom, administration or school operations. It is also a fundraising program of the Stoneham Public Schools Foundation.

## How it Works

Simply make a contribution of \$10 or more to the Stoneham Public Schools Foundation in honor of a person who has made a difference in your life and the Foundation will mail that special person an 8 ½ x 11 Certificate of Appreciation & Recognition from you! *Your contribution goes to a terrific cause, which is right back into the school system.*

## Who You Might Honor

Some of the people you may wish to acknowledge are highlighted below. This is not a complete list. Think of those who have made or continue to make a difference in your everyday life:

### Teachers

for their endless dedication to students

### Classroom Aides

for assisting teachers with daily lesson plans

### School Secretary

who provide the missing forms, or see to it that forgotten lunches and homework get to their destination

### PTO Members

who show relentless energy throughout the year planning events and raising funds for extra curricular activities enjoyed by so many

### The Lunch Ladies

for being so nice during the noisiest part of the day

### Custodians

who get the schools ready for the next day

### Librarian Aides

who inspire our children to read

### Nurses

for providing band-aids, good common sense, and occasional spare clothing articles when needed

### Principal or Assistant Principal

who keeps the school running smoothly

### Crossing Guards

who through snow, sleet or rain keep our children safe getting to and from school

### The Coach

who encourages that extra effort to succeed
